Sir:

With the original filing of the subject application, Form PTO-1449 and the Utility Patent Application Transmittal form contained typographical errors.

In Form PTO-1449, reference AA should have been 2001-0005254 dated 06/2001. A revised copy of that form is attached hereto.

Item 7 of the Utility Patent Application Transmittal form indicated that the filing date of the Japanese priority application is December 3, 2003. The actual filing date is December 3, 2002. A revised copy of that form is attached hereto.

Please replace the sheets which were originally filed with the enclosed, revised copies of these forms.

Respectfully submitted,
